

Table of Worldwide TV/DVD formats

HUTC DVDs are (PAL), copies will not play on DVD Players with other formats as found in US, Canada and certain areas of Europe. If you are outside the UK please check your DVD Player to ensure it will play the PAL format. If you are unsure about what format your country uses please check the table below as **PAL** and can only be viewed in countries operating a PAL system.

However DVDs should play on a PC or Mac regardless of the country region if your computer has DVD player software installed.
